The Bureau of Economic Analysis (BEA) is providing users with information about the COVID-19 pandemic and federal stimulus programs as related to BEA economic data. Details can be found at "[Federal Recovery Programs and BEA Statistics](#)" on the BEA website.

In the *Survey of Current Business* this month, we present our "[GDP and the Economy](#)" article that discusses the advance estimate of gross domestic product for the first quarter of 2020. We also provide a preview of the 2020 annual update of the National Income and Product Accounts.
